INTERNSHIP GUIDELINE

(For Interns, only)

July, 2024

Adama, Ethiopia

Guideline for the Final Report

All students are required to submit a detailed report of their experience as listed below. The Report should comprise the followings.

Cover page

The cover page should carry all general information about the student, the company, the supervisor, etc. This includes:

- ✓ The name of the University, the School and the Department
- ✓ The student's name and ID number,
- ✓ Department advisor's name
- ✓ Name of the hosting organization
- ✓ Name of immediate supervisor in the hosting organization
- ✓ Duration/period of the internship
- ✓ Report period & submission date

The preliminary pages take the following sequence which involves some or all of the following parts;

- Executive Summary
- Acknowledgement
- List of acronyms
- Table of contents

Table of contents

A table of contents must be included, showing chapter and subchapter titles as well as the respective page numbers.

Introduction

1. General overview about the internship (includes objective of internship, scope of work expected, outputs expected)
2. Background of the organization
 - Description of the organization
 - Mission of the organization
 - Products/ services of the organization

The introduction should not be more than three pages

Management, training and employee information

1. Major duty you were given to perform
2. How did you become oriented with the responsibilities you were assigned?
3. How did your supervisor help you to succeed in the assignment you were given?
4. What qualities did you develop which allowed you to succeed in your daily duties?

Specific job information

1. Discuss the daily technical duties and responsibilities you had during the internship period.
2. Discuss other responsibilities you had during your internship.
3. What technical knowledge and skills from your course work were beneficial for your assignment?
4. What relevant research projects did you identify in your activities in the organization you stayed with?

Reflection and Conclusion

1. How did this internship fit your career goals?
2. Did your career goals change as a result of this internship experience?
3. Discuss your feelings about the value of this internship.
4. What challenges have you faced during the internship?
5. Discuss your strengths and areas for improvement as self-evaluation.

Recommendations

1. Please give us some comments with your personal opinion of the company and the internship.
2. Discuss recommendations for improving the internship.
3. Should we consider the company for future student placement?

Reference/ Bibliography
